

## **Percussion XS**

Thank you for auditioning for Percussion XS. The selection process was difficult as there were many terrific applicants. Participants were selected based on the preparedness of all of the audition material and knowledge and confidence on both snare and keyboard instruments. If you are listed as an alternate, then you are currently on a waiting list. If any students decline participation and a space becomes available, you will be contacted immediately. Parents, if your child was selected, please take a moment and email confirmation of notification to [sistajules@comcast.net](mailto:sistajules@comcast.net) This will assure me that you have viewed this list and will additionally validate your correct email address. (many of the students handwriting was difficult to read on their registration form :)
